However, according to David Mathis, such "habits of grace" are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it's hearing God's voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God's glory and stir

our hearts for lifelong service in his name. What's more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God's children today.

Unlocking the Bible Story: Old Testament Aug 24 2019 For all who are wondering how the pieces fit into the jigsaw of God's revelation, Colin Smith has provided an answer, which is refreshingly simple, biblically accurate, and will prove phenomenally helpful to the serious Bible student and the new beginner alike. — Alistair Begg, senior pastor, Parkside Church

In **Unlocking the Bible Story**, Colin Smith moves gradually through portions of the Bible to explain how it all holds together. He tells God's one grand story of salvation and reflects on major themes along the way. In volume 2 he moves through the Wisdom and Prophetic books, which provide reflections on life with God, judgment for sin, and the hope of restoration. Includes the study guide formerly sold separately. One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible's storyline. To grasp how the sacred history moves from Genesis to Revelation not only brings fresh insight into how the Bible hangs together, and what each part contributes to the whole, but also is crucial for developing a Christian worldview. Colin Smith has met these needs admirably. I hope these volumes will circulate widely and be read and re-read. — D. A. Carson, research professor New Testament at Trinity Evangelical Divinity School, cofounder of The Gospel Coalition
