Weinstein's Evidence Manual, Student Edition, Tenth Edition 2015 Apr 24 2022 This 2015, Tenth Edition volume, comprehensively covers the Federal Rules of Evidence in Weinstein's Evidence Manual. It was designed for judges, lawyers, and students who need a concise guide to the practical and theoretical information required in the court, office, and classroom. Now that the Federal Rules have been in effect for more than two decades, some clear lines of interpretation have begun to

emerge. The authors have summarized those areas and indicated places where further clarification is needed. The eBook versions of this title feature links to Lexis Advance for further legal research options.

Prosecutor's Manual for Arrest, Search and Seizure 3rd Edition May 26 2022 The ideal roadmap for defense lawyers and prosecutors, John M. Castellano has built on the fine works of the original authors of this book, James A. Adams and Daniel D. Blinka who appreciate the succinct analysis necessary to canvass the often tangled landscape of Fourth Amendment law. Their pragmatic approach has created a balanced, sound and comprehensive one-volume survey of arrest, search and seizure issues. The Third edition now features all decisions by the Supreme Court Fourth Amendment cases through June 2015 as well as significant and helpful circuit court decisions on a variety of topics. It includes a number of other new, expanded, or refined sections as well which include application for orders to intercept; bodily intrusions, emergency searches, and workplace searches. The eBook versions of this title feature links to Lexis Advance for further legal research options.
